NorthWords NWT Is Seeking a Volunteer Treasurer

NorthWords NWT, a Yellowknife-based non-profit dedicated to supporting Northern writers and storytelling, is looking for a Volunteer Treasurer to join our board.

This is a great opportunity for a CPA or accounting professional to contribute their financial expertise to a local arts organization while gaining non-profit board experience. Volunteer board service may also be eligible toward professional development (CPD) requirements.

Our board meets once a month, and the Treasurer provides financial oversight and reporting to help keep the organization on track. Our next AGM will be held 17 October 2026, making this a great time for a new Treasurer to come on board.

If you enjoy books, community, and putting your financial skills to work for a good cause, we'd love to hear from you.

Interested? Contact NorthWords NWT at president@northwordsnwt.ca
